

Teledyne Continental Motors Parts Kits

Planning to overhaul your engine? Enjoy one stop shopping with the introduction of Continental Motors' parts kits. It's a whole new way to fly. By insisting on genuine Continental kit parts, airplane owners can fly with the confidence of knowing that every component in their engine is a factory original. So leave nothing to chance. Ask for and insist upon genuine Continental replacement parts. Don't let the decision be made by someone who won't be there when it counts.

Top end overhaul kit Factory new cylinder, pistons and rings, what better way to start your top overhaul! Continental provides genuine factory cylinders and puts them into one convenient kit to make getting started on a top overhaul even easier. And you have the additional confidence of Continental's TopCare™ warranty. All attractively priced and all inclusive.

This kit includes the following:

- Cylinder and valve assembly
- Piston
- Ring set
- Pin and plug assembly – piston
- Washer, thrust – rocker assembly
- Shaft – rocker assembly
- Screw – rocker assembly shaft
- Washer – rocker assembly shaft
- Nut – exhaust
- Gasket sets – single cylinder
- Chart – kit
