

G-25

12V, 18Ah

Technical Specifications

Dry Charged

The Teledyne Battery Products G-25 is a dependable 12-volt aircraft battery designed for general aviation. It delivers strong power for starting your aircraft and handling emergencies, even in challenging conditions. With its high capacity and cold weather performance, it's compatible with a wide range of aircraft models, including AeroStar, Beechcraft, Cessna, and Piper. Built by a trusted brand with over a century of expertise, the G-25 ensures reliable performance for every flight.
